I am writing to recommend without reservation the services of Serina Choi and NV Licensing Services.

Lindo Michoacán began working with NV Licensing Services in 2008, and all of my dealings with the firm have been positive and of great benefit to our business. They have assisted us in the complicated process of applying for liquor and gaming licenses for two new locations, and continue to work with us in maintaining compliance with our license and reporting requirements.

Serina is very responsive and easy to work with; with her knowledge and experience, she is able to explain the application process in a way that makes it easier to understand and complete. Her contacts in the industry have helped answer our questions and complete our licensing requirements on schedule.

NLS rates for professional services are very reasonable; the advantages have been much greater than the cost. I am confident that engaging the competent experts at NV Licensing Services is a decision you won't regret.

Sincerely,

Rigoberto Gonzales
